

4th Grade Weekly News

Week of: August 18-22

What We're Learning

Math- Topic 1: Meaning of Multiplication and Division

- I can understand that multiplication fact problems can be seen as comparisons of groups (Standard OA 4.1)
- I can find all factor pairs for a number from 1 to 100. (Standard OA 4.4)
- I can notice different features of a pattern once it is created by a rule. (Standard OA 4.5)

Reading- We will be talking about how to choose appropriate books from the library. We will also talk about reading log expectations.

- I Can Read and Understand Fourth Grade Fiction (Standard RL 4.10)
- I can explain a story by referring to details and examples in the text. (Standard RL 4.1)

Writing- We will be writing a story about our first loose tooth!

- I can write stories using a clear sequence of events and descriptive details. (Standard W 4.3)
- I Can Use What I Know About Grammar When I Write and Speak (Standard L 4.1)

Science- We will learn about the life cycles of plants & insects.

- I can identify characteristics of plants and animals that help them grow and survive. (Standard LS 1 & 2)

Social Studies- New England Region & states

Essential 55 Manner

by Ron Clark

- Manner #44:** *When in a line, walk single file with your arms at your sides or behind you. You should face forward at all times and there should be no talking.*
